For more than 50 years, Lucky Bail Bonds has been providing bonds and helping to reunite people with their loved ones as quickly as possible. Our bail bond agents have experience with all types of bail bonds, and we have payment plans, rebates/discounts and other options that make it easy to get out of jail fast.

If you need a bail bondsman, there is no need to call anyone else. This family-owned bail bond company knows how to handle all types of bail bonds and we are the large bail bond specialist. We treat every single client with the respect and dignity that they deserve.

We have at least one bail bondsman working in many cities throughout California. This is just one more way that the professional staff at Lucky Bail Bonds can serve your needs. It is our goal to help everyone who calls on us. Ask about special programs such as 20% rebate offers, bail now and pay later, and interest-free payment plans.
